SÁNCHEZ SALGADO

Established in 2001, we are a firm of Certified Public Accountants and Business Advisors. We offer professional services in the areas of Tax Preparation, Audit, Accounting, Corporate and Government. We work with clients from the private and public sectors from the western central area of Mexico. We consider our clients, Service Partners.

We offer our consultancy, and advice to national, international, and multinational Service Partners that operate inside the Mexican jurisdiction.

Our most important asset is our Service Partners.

We are continuously striving to meet and to surpass the expectations in terms of quality, security, and opportunity that is demanded. Every time, we ensure our clients receive the reliable financial information that contributes to their decision making processes.

Our human talent at SANCHEZ SALGADO is highly competent. All of our team is convinced of the need to continuously improve ourselves in order to offer the best value proposals to our clients.

▼ Experience

We have more than 15 years of experience as Public Accountants and Business Advisors.

▼ Technical Capacity

Continuous preparation and certification in consulting and advice materials for the public and private sectors to guarantee our clients that our services meet with the current technical, professional, and legal norms in each of our professional practices.

▼ Current Operations

Everyday, we dynamically seek to improve our work methodologies, operation processes, and our communication with our Service Partners according to the technologies and systems that the market demands.

▼ Focus

Our professional services in SANCHEZ SALGADO are oriented to meet our Service Partners' objectives.

The results from our work seek cost effectiveness through planning, organization, execution, and control of solutions that satisfy the needs of our Service Partners.

▼ Service Investment

We apply time-frame planning to each of our services.

Is through this planning that we can control the cost of operations, and in return, create a financial benefit in the form of savings to our Service Partners' investments.

▼ Vision

We will be a strategic business collaborator to our Service Partners for our professional advice, and consulting in the areas of tax, audit, accounting, corporate, and government.

▼ Mission

We are a business coaching firm that follows our Service Partners in the growth and development of their companies through high quality services and constant training. Focusing in the execution and control of our strategies to meet their needs with solutions tailor to them.
